5129	5135	Trash, extra pick-up		3.27
5949	5947	Commingled Recycling, free 32 gallons with trash service (maximum 3 units)		0.00
5921	5940	Commingled Recycling, 32 gallons		6.57
5216	5201	Commingled Recycling, 64 gallons		6.57
5203	5204	Commingled Recycling, 95 gallons		6.57
5951	5939	Commingled Recycling, extra pick-up		0.00
5950	5948	Greenwaste, free 32 gallons with trash service (maximum 3 units)		0.00
5953	5954	Greenwaste, 32 gallons		6.57
5205	5206	Greenwaste, 64 gallons		6.57
5207	5208	Greenwaste, 95 gallons		6.57
5952	5955	Greenwaste, extra pick-up		3.27

Terms and Conditions

- Cans and carts serviced from regular locations or enclosures.
- Recycling and greenwaste services once per week, trash service 1-3 times per week.
- Multi-unit complexes that require less than 128 gallons use single family service

- Extra pickups are on regular service day only and limited to 4 extra cans or bags per pickup.
- Recycling extra pickup annual maximum in cans/bags = total number of free & paid 32 gallon cans of weekly recycling

Monthly Rate Calculation (Formula): formula rate x number of units x number of collections per week

ROLL-OFF AND COMPACTOR SERVICE (10-40 CUBIC YARD CONTAINERS)				
MULTI-UNIT BILL CODE	BUSINESS BILL CODE	SERVICE DESCRIPTION	FLAT MONTHLY RATE	FORMULA RATE
5300	5300	Local Hauling, Rolloff Box		130.88
N/A	5301	Tajiguas Hauling, Rolloff Box		185.41
N/A	5302	Tajiguas Hauling, Compactor		217.37
N/A	5303	Local Hauling, Compactor		163.60
N/A	5330	Tipping Fee, Regular Trash		75.26
N/A	5332	Tipping Fee, Special Waste		63.60
N/A	5340	Tipping Fee, Mixed Recycling		12.34
5325	5341	Tipping Fee, Bulky Material		61.48
5320	5343	Tipping Fee, Greenwaste		50.88
5350	5350	Rolloff Rental	95.40	
N/A	5351	Compactor Rental, 30 cubic yard	424.00	
N/A	5352	Compactor Cart Dumper Rental	90.00	

Terms and Conditions

- Service can be regular or on-call.
- Service for regularly produced trash, recycling, greenwaste. Construction project waste (C&D) is not covered by these rates. Customers with permanent Bulky Material roll-offs may put construction waste in them, or contract with a separate hauler.
- Bulky Materials are large items (furniture, metal, wood, plastic, greenwaste, C&D). No bags of trash.

- Special waste may contain animal parts or other noxious material, and is in compactors only.
- Each pull listed separately on bill with hauling charge and tipping fee. Service billed directly by haulers, but each line item includes the City bill code. Haulers will include weight tickets with bills that list processor, date, material, and charge.

Monthly Cost: hauling charge x hauls per month + tipping fees x tons of material + container rental

DUMPSTER SERVICES (1.5-4 CUBIC YARD CONTAINERS)				
MULTI-UNIT BILL CODE	BUSINESS BILL CODE	SERVICE DESCRIPTION	FLAT MONTHLY RATE	FORMULA RATE
5102	5101	Trash, 1.5 yard Dumpster		70.49
5141	5140	Trash, Dumpster		48.31
5146	5146	Trash, Compacted Dumpster		142.92
5142	5148	Trash, On Call or Extra Pickup		13.89
5144	5144	Trash Dumpster Rental	38.94	
N/A	5168	Trash Dumpster 50% Rental (shared dumpsters)	18.94	
N/A	5169	Trash Dumpster 33% Rental (shared dumpsters)	12.63	
N/A	5170	Trash Dumpster 25% Rental (shared dumpsters)	9.47

5155	5161	Mixed Recycling, On Call or Extra Pickup		6.78
5153	5153	Recycling or Greenwaste Dumpster Rental	26.05	
N/A	5172	Recycling Dumpster 50% Rental (shared dumpsters)	12.67	
N/A	5173	Recycling Dumpster 33% Rental (shared dumpsters)	8.45	
N/A	5174	Recycling Dumpster 25% Rental (shared dumpsters)	6.34	
N/A	5175	Recycling Dumpster 20% Rental (shared dumpsters)	5.08	
5114	5113	Greenwaste, 1.5 yard Dumpster		70.49
5134	5136	Greenwaste, Dumpster		48.31

Terms and Conditions

- Customers may purchase their own dumpster or rent from hauler.
- Greenwaste service once per week. Trash and recycling services up to 6 times per week.
- Shared dumpsters: each weekly day of collection can be charged to a partner. Rental can be split up to 5 ways.

Monthly Rate Calculation (formula)

- 1.5 cubic yard dumpster: rate x number of collections per week + bin rental (if applicable)
- 2-4 cubic yard dumpster: rate x dumpster size (cubic yards) x collections per week + bin rental (if applicable)
- On-call/extra pickup: formula rate x dumpster size (cubic yards) x pickups per month + bin rental (if applicable)

CONTAINERS AVAILABLE FOR RECYCLING, GREENWASTE, AND TRASH

32-Gallon Can

96, 64, and 32-Gallon Carts

32-gallon cart = 1 can, 64-gallon cart = 2 cans, 96-gallon cart = 3 cans

2-Yard Dumpster

1 yard = two 95 gallon carts

30-Yard Roll-off Box

25-Yard Compactor

COMMERCIAL RECYCLING AND TRASH SERVICE

INDOOR RECYCLING BINS FOR BUSINESSES

Convenient, recognizable, and properly labeled indoor recycling bins are essential for a successful office recycling program. In small quantities they can be very expensive or might not be available. For this reason, the City is providing indoor office recycling and trash containers from July 2005 until July 2006 to business customers. The City will provide deskside recycling and trash combos and larger containers for placement near printers and copy machines. All bins have labels indicating what is recyclable. City staff will come to your business to figure out the best configuration of containers for convenient and efficient recycling.

CUTTING COSTS AT YOUR BUSINESS

Don't pay twice as much to discard paper, cardboard, metal, glass, plastic, and wood in the trash container. Capture the recycling right at the desk side where it is produced with free containers so that recycling is as convenient as trash disposal.

It's never been easier than now to establish a recycling program in your workplace! With our free indoor recycling bin program, recycling at half the cost of trash, and free expert advice, any business in the City of Santa Barbara can start or improve its own office recycling program. City personnel will come to any business or multi-unit complex to help optimize recycling and trash, and will calculate the cost savings from recycling for you.

City staff can come to your business and help you take the following steps:

- **Organize your recycling team: the bill payer/decision-maker, manager, and a recycling advocate.**
- **Get appropriate indoor and outdoor recycling bins and place them in convenient locations.**
- **Educate staff on how and what to recycle.**
- **Educate janitors about where to place the contents of the trash and recycling bins.**
- **Reduce office waste through double-sided printing and electronic memos.**
- **Demonstrate management support for the recycling program and provide feedback to employees.**

Call 897-2542 to take advantage of this service.

MIXED RECYCLING IN DUMPSTERS:
Everything You Had Before and More!

If your business has a recycling dumpster, you can now recycle all that plastic that you were putting in the trash. Plastic lawn furniture, toys, plastic bags, shrink wrap, buckets, and more. Anything metal or mostly metal is also recyclable, even if it has plastic or non-metal parts. **However, can or cart customers please note that your recycling is still Commingled, and you can only put #1 and #2 plastics in the can or cart.** Why the difference? Mixed Recycling (dumpsters only) goes to the MarBorg Recycling Center in Goleta, but Commingled Recycling (carts and cans for residents and businesses) goes to Gold Coast Recycling in Ventura. Call your hauler or stop by the billing department at City Hall for brochures for your residents or employees telling them how and what to recycle for Mixed Recycling, Commingled Recycling, or Greenwaste Recycling.

KEEP A LID ON IT

ALL TRASH AND RECYCLING CANS, CARTS, AND DUMPSTERS MUST HAVE A LID ON AT ALL TIMES TO PREVENT BLOWING LITTER AND SCAVENGING BIRDS. PLEASE HELP KEEP OUR CITY CLEAN!

BILLING AND SERVICE CHANGES FOR RECYCLING, GREENWASTE, AND TRASH

MARBORG
963-1852

BFI
965-5248

Every year, refuse collection rates are modified to reflect increases in the cost of doing business for the City's franchised haulers, BFI and MarBorg Industries. Starting July 1, 2005, the price of all trash and recycling services in the City increased 3.91%. Descriptions of some services have changed to make the bill clearer. Other services that have been changed altogether are detailed below. Please see the Commercial Solid Waste Collection Rates for all waste services and refuse collection rates regulated by the City. If you would like to increase your recycling capacity or make other changes your weekly waste services, call your hauler, **MarBorg at 963-1852**, or **BFI at 965-5248**.

CAN OR CART SERVICE

- The minimum business trash service has been lowered to one 32-gallon container collected once per week. Customers that wish to change service must call their hauler.
- Recycling and greenwaste are now listed in terms of total gallons instead of number of carts or cans. (There is no price difference between carts and cans)

DUMPSTER SERVICE

Recycling Service and Rates

The two dumpster recycling services, Cardboard Plus and Commingled Recycling, have been replaced by Mixed Recycling. Mixed Recycling includes everything in both of the previous services with the addition of wood, carpet, carpet padding, and all plastics (#1- #7 containers, bags, shrink wrap, and durable items). See the Mixed Recycling guide for a complete list of items. The price of Mixed Recycling is between the rates for Commingled Recycling and Cardboard Plus. Commingled customers will pay 17% less, and Cardboard Plus customers will pay 10% more. All customers should be able to save money by diverting more material into the expanded recycling service and reducing trash service. Customers with recycling dumpsters have been automatically switched to Mixed Recycling.

On-Call and Extra Pickup Rates

On-call and extra pickup for recycling and trash are now 15% more expensive than regular service, and are now charged by the cubic yard instead of a flat rate. Frequent users of on-call service may want to switch to regular service.

1.5-Cubic Yard Dumpsters Available

Dumpsters store cardboard boxes better than carts or cans. If you have three or more 96-gallon carts, or have space constraints at your location, consider getting a 1.5-cubic yard dumpster for recycling, greenwaste, or trash.

ROLL-OFFS AND COMPACTORS

Roll-offs/debris boxes and compactors for regularly produced waste have been added to the City's Commercial Solid Waste Collection Rates. This does not include construction waste generated by new construction or a remodeling project. This change will decrease rates for some customers. MarBorg and BFI will continue to bill customers directly, but they will include a City bill code for each line item, and provide copies of weight tickets to customers.

Categories of Waste in Roll-offs or Compactors Collected by Haulers

- Mixed Recycling: See Mixed Recycling guide
- Bulky Materials: Mix of large items (furniture, metal, wood, plastic, greenwaste, and construction and demolition debris at the option of the customer). No regular trash.
- Special Waste (compactor only): noxious waste with animal parts (e.g., fish carcasses)
- Greenwaste: landscaping plant material only
- Regular Trash

Services Open to Competition

Cardboard Only is not a City-regulated service. Businesses can choose anyone to haul and recycle cardboard, as long as there is no charge for it. If you are unable to get cardboard recycling at no cost, Mixed Recycling for commercial customers is recommended.

MIXED RECYCLING

See the guide at left for a complete list of acceptable items.

¹ Hazardous waste, take to UCSB site 963-0583 x105 ² Consult Reuse Directory at www.sbrecycles.com ³ Recycle through Santa Barbara Iron & Metal 966-4468
